## College Credit Plus for Students & Families

Why wait for your future?

CollegeCredit  
PLUS

With College Credit Plus, you can earn college  
and high school credits at the same time

And in most cases, it's free!

College Credit Plus can help you earn college and high school credits at the same time by taking college courses from community colleges or universities. The purpose of this program is to promote rigorous academic pursuits and to provide a wide variety of options to college-ready students. Taking a college course from a public college or university College Credit Plus is free. That means no cost for tuition, books or fees if you attend public school in the state of Ohio. If you choose to attend a private college you may have limited costs.

Lake Erie International high school has an agreement with Cuyahoga Community College for College Credit Plus, however, you can choose to take College Credit Plus courses from any college that offers a course that would benefit your future. This could include online courses.

Once you find the university or college you would like to attend for College Credit Plus, you can go to their website and complete the application—each school has their own process and procedures; as well as their own requirements to enroll in College Credit Plus.

As stated, College Credit Plus is free for all public school students who wish to attend a public Ohio university or college. There may be fees for students that wish to attend a private university of college.
